The Hon. Chuck Strahl, P.C., M.P.
Minister of Transport
House of Commons
Ottawa, ON K1A 0A6

Dear Minister:

Steven Lorenz wrote me again (copy enclosed) regarding his daughter's abduction to Nebraska and the United State's promise to investigate the legality of a state passing laws in contravention of the Hague Convention.

Mr. Lorenz asks that Canada do everything possible to ensure that the United States actually does follow up on their 2009 promise to investigate the legality of the two laws that were enacted by the state of Nebraska to support his ex-wife's abduction of their daughter. The laws in question amount to nothing more than a 'state sponsored' abduction of Mr. Lorenz's daughter and a denial of Mr. Lorenz's right to due process in a court of law.

I am asking that you respond to the concerns as expressed in the attached correspondence.

Please reply directly to my constituent(s) and send a copy of your response to my constituency office.

Yours truly,

John Cummins, M.P.
Delta - Richmond East
